

Warranty

Fixed dental prosthetics:

- » Crown, bridge 5 years
- » Dental filling 2 years

Removable prosthetics:

- » Partial denture 3 years
- » Full denture 1 year
- » Implantation (for the structural parts of the implant) 5 years

Warranty rate:

If there is clear evidence that the dental work we performed is not suitable for the intended use for reasons attributable to the dental technologist or the practice (material error, etc.), our practice undertakes the costs of reconstruction, including travel and accommodation costs.

The warranty rate is reduced or the warranty becomes invalid, if:

- » Poor oral hygiene of the patient
- » Patient does not follow the dentist's instructions
- » In case of removable prosthetics such as partial or full dentures, improper storage or care, or inappropriate usage
- » The patient did not attend the checkup examination the previous year
- » In case of gingival recession or bone loss
- » The prosthesis is damaged due to an accident
- » Extensive weight change in a short period of time
- » If the dental status changes as a result of the adverse effect of a general disease (such as diabetes, epilepsy, osteoporosis, radiation, chemotherapy)
- » the patient has treatment at another practice without prior consultation.

Panoramic X-ray needs to be taken annually!
